- ASAC-open:

On January 27 we hosted the ASAC-open competition with great succes! More than 120 competitors fought hard to earn their spot in the finals.

The superhero theme made sure that (of course) the 'The Flash' was properly represented.

### RESTAURANT

- New chef at Be Boulder:

With heavy hearts, we bid farewell to Julian, who has been an integral part of our kitchen team. Stepping into his role, Arthur will be taking over the culinary duties. In addition, we're excited to announce that our kitchen will now also be open on Mondays!

Make sure to scan the QR-code inside our menu to give some constructive feedback on the dish you have eaten and receive a 20% discount on your next drink.

### BOULDERS

- Competition Boulders:

For those who missed the ASAC-open competition boulders, you've got until the end of the month to give them a try! We have 30 qualification boulders graded from 4C to 6C+, numbered 1 to 30 for increasing difficulty. Plus, 6 final boulders range from 7A to 7B+ for an extra challenge. This unique set was created by a team of 6 setters, with 5 visiting setters offering new and diverse styles. Don't miss this chance to see how far you could have gone in the competition. Test your skills on these varied boulders while they're still here!

### PROMOTIONS

- Bring a friend during the Holidays:

From February 17th to February 25th we're offering our members and punchcard holders a special opportunity to share the joy of bouldering with friends or family.
